

HOW SELLING YOUR CAR WORKS

Four steps from VIN to paid. Real people build every offer, most in about 10 minutes. No fees, no add-ons, and instant ACH once everything is signed.

01

GET YOUR OFFER

Enter your VIN and a few details. A real person prices it using live market data, recent sales, and your car's condition.

02

SCHEDULE YOUR INSPECTION

Choose come-to-you or walk in to a store. A quick 15 to 20 minute condition check, no test drives.

03

ACCEPT YOUR OFFER

Review everything in your account on your own time. No pressure, no hidden fees. The offer you accept is what you get.

04

GET PAID INSTANTLY

Secure ACH as soon as everything is signed. If there is a loan, we pay the bank directly, then pick up the vehicle.
